By Train & Tram

- Get off the train at Sheffield
- Follow the signs to the **tram**
- Cross over the tram tracks to the platform furthest from the station
- Get on any purple or blue tram that comes – it will say either ‘Halfway’ or ‘Herdings Park’ on the front
- Stay on the tram for two stops until they announce ‘**Park Grange Croft**’ and then **press the button to request the tram stops**. (You can look up to the roof of the tram and it will say what stop is next and if you – or someone else – has requested the stop it should say ‘tram stopping’)
- Get off the tram and cross over the road. You will see a white signpost saying Sheffield Mencap & Gateway at the top of a lane. Walk down the lane and Norfolk Lodge is at the bottom.

The whole journey from the station right to Norfolk Lodge should take no more than 10 minutes.

By Car

The best thing is to look up your route using AA Routefinder – the link is www.theaa.com/travelwatch/planner_main.jsp. The best hint to give you is that when you are driving up Park Grange Road, look out for a white sign saying Sheffield Mencap & Gateway at the end of the lane and opposite Park Grange Croft tramstop. If the tram lines start going on to the road then you have gone too far up and Park Grange Road is huge!

If you get stuck, ring 0114 2767757 and someone will guide you in!
There is plenty of car parking space outside of Norfolk Lodge.
