

Coronavirus (COVID-19): Support for people affected by cancer during this time

Although we can't see you in person at the moment we're still here to support you and your family if you're affected by cancer. Our specialist therapists can call you to discuss your current situation, listen to your concerns and begin a course of tailored therapy. We can offer new and existing clients:

Telephone counselling

Online therapy

This can involve the therapist introducing a number of techniques that are gentle and safe and can be adapted to your individual needs to help you to look after your physical and emotional health and wellbeing.

Support for Children & Young People

Cancer Buddies

Cancer Buddies are trained volunteers who have either had cancer themselves or have cared for someone with cancer. We are accepting referrals for people wishing to be matched with a Buddy.

How to get in touch

Call: 0114 2784600

Leave your details on the answerphone and we will call you back.

Email: info@cavcare.org.uk
