# Sock Design Challenge!

Create a colourful design on these socks and display them in your school for Rock Your Socks Day.

# Sock Design Challenge!

## Design Brief

Design some socks for the 'Rock your Socks' campaign.

The socks will be sold to raise funds for Sheffield Mencap and Gateway.

The socks should have a bright, eye-catching design.

Can you consider the following in your design?

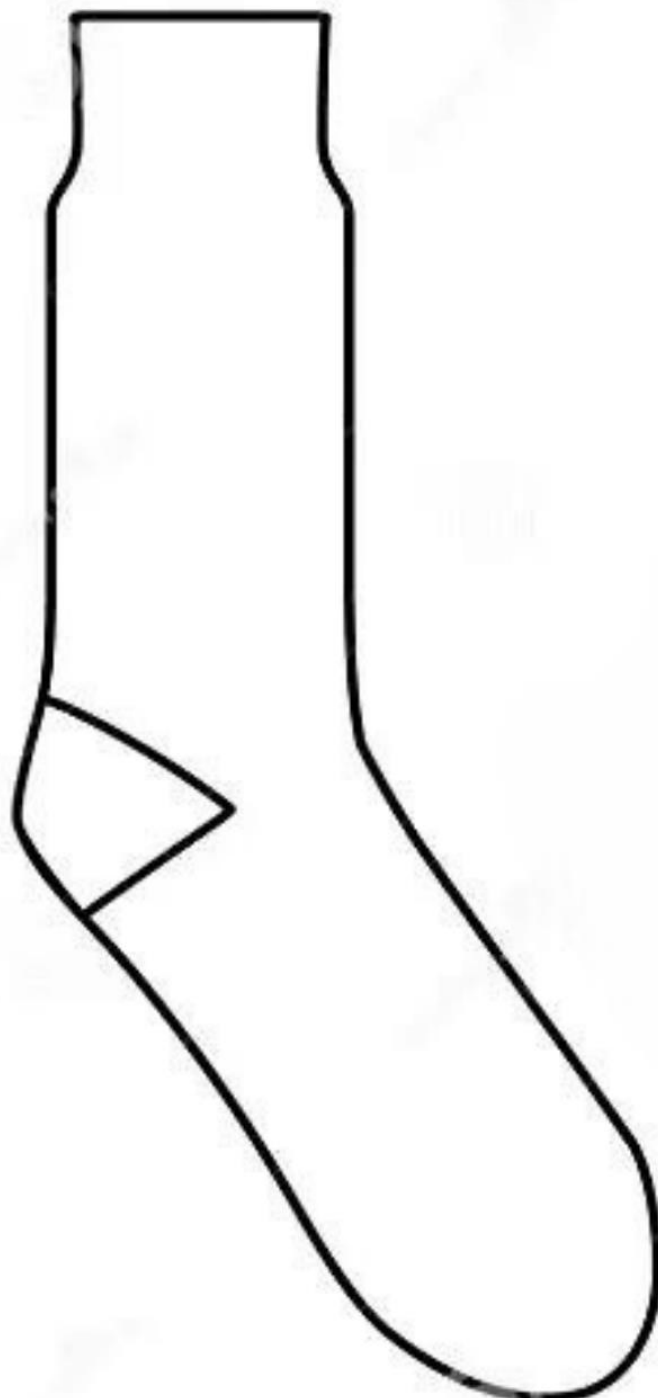

- Who are you designing for?
- What materials would you use and why?
- How could the socks be manufactured more sustainably?
